

Book Launch Checklist

Preparing for the Launch

- Establish an online presence and create a landing page for the book.
- Create a buzz through your social media platforms, email list, and media outreach.
- Organize your book launch team for writing reviews and spreading the word.
- Make an engaging book trailer that hooks your audience.
- Write a book release with details about the book and the launch date.

Planning the Book Launch Event

- Choose an audience-friendly venue.
- Prepare a speech introducing yourself and your work.
- Get ready to sign and read snippets from your book.
- Contact media outlets to cover the event.
- Create a launch event on social media and encourage people to share it.

Post Launch Follow-Up

- Thank all those who came to the event or helped organize it.
- Keep promoting your book and engaging with your audience.
- Request reviews from those who attended the event and bought the book.
- Reach out to book clubs to discuss your book.
- Analyze what worked for you in this launch and use it to plan for your future ones.
